

IT'S WORTH IT!

The Dean of Sydney, Kanishka Raffel, said this.

It's still worth it because Jesus is still King and is still building His church.

It's still worth it because Jesus died to reconcile the world to God, and people to one another.

It's still worth it because God's word does not return to Him empty but achieves what He purposes for it.

It's still worth it because Jesus is still giving hope to the hopeless, help to the helpless, strength to the weary, healing to the broken, life to the dead in sin.

And it's still worth it because all our duties are privileges, and all our troubles and trials (and there are plenty of those!) will seem light and momentary compared to the eternal weight of glory being stored up for those whose hope is in the Lord.

It's still worth it because though I am unworthy,

Jesus is SO worth it!
