

No unbelievers!

The Bible shows that human history will eventually record three times of total absence of atheism from the world scene.

First, the only people on Earth at Creation – Adam and Eve – were no atheists. They enjoyed God's presence in the garden of Eden, sharing with him intimately, face to face.

Second, immediately after the global Flood, only Noah and his family survived this vast judgment of man's wickedness. See Genesis 8.15-16.

It is sometimes said that there is safety in numbers. But it wasn't so in Noah's day. The whole world perished, except for Noah and his family. After the Flood a total of just eight people populate the entire world. They survived because they alone knew and revered God.

Third, after Christ's return to our planet he will provide the leadership our world desperately needs. Then “the earth shall be full of the knowledge of the Lord as the waters cover the sea.” Isaiah 11.9. “All the ends of the world shall remember and turn to the Lord, and all the families of the nations shall worship before you.” Psalm 22.27.

What a remarkable time to be alive that will be.
