

Where is God?

How can Christians believe in a loving Creator-God when there is so much trouble in the world?

Well, I find it easy to believe in God because there is so much overcoming of trouble in the world.

People who turn to God and ask for His help find that “the Lord’s blessing is our greatest wealth.” Proverbs 10.22 (Living Bible)

One agnostic told a Christian friend, “The world’s problems prove that religion has failed.”

”Well, think this over,” said the Christian. “If men are wicked despite all the religious activity, where would our world be without that activity?”

Let’s not forget that most human misery is man-made. But what have we done about it? But what have we done about it?

Fortunately our loving God has done something about it – providing forgiveness of sins through Jesus. He also offers us the power to overcome our hatred pride, jealousy, selfishness and other failings.

But He says we must humble ourselves and ask His help – so it’s our move next.

One day “earth shall be full of the knowledge of the Lord.”

Isaiah 11.9.

“All the ends of the earth will remember and turn to the Lord.” Psalm 22.27.

But why wait till then? Lets do it now.
