

## **From God - to you**

**First**, as the world's unique (and greatest) editor, God speaks to you via His Book.

Throughout its production, at each point in history, God Himself was invisibly present as overseer. He therefore did what no one else has ever been able to do – prompting the thoughts of the Bible writers through His editorial supervision century after century!

He thus guaranteed the manuscripts would be accurate and reliable. He wanted the whole world – including you – to understand and act upon His Word.

**Second**, God did something else just for you. In the first century AD, He entered our world quite unobtrusively – “became flesh and dwelt among us” (John 1.14). He did this in the Person of Jesus Christ to communicate as the world's unique (and greatest) prophet, bringing His message of forgiveness and reconciliation to all of us.

**Third**, to ensure that His message would survive for 2000 years He needed only three brief years of ministry! His offered forgiveness of sins continues to impact the world in a way never before seen – conquering often rebellious hearts through nothing more than His patient, enduring love.

You can't blame me for wondering if there has been a response: from you – to God!
