

Suddenly it's happened!

Four signs point to our generation as being the prophesied end-times

Four outstanding signs - *fulfilled Bible prophecy!* - are unique to this present generation living on earth.

First, the Protestant Reformation led to the Bible becoming widely available - and studied - for the first time in 1700 years! Despite this development, end-time events remained veiled - "*closed up and sealed till the time of the end.*" Daniel 12.9.

But today it's different. God is showing us we are in the end-time because the "last days" prophecies about Christ's return are now *widely taught, read, and understood.*

Second, again through his prophet, Daniel, God foretold that in the end time, "many shall run to and fro" and "knowledge shall be increased." Daniel 12.4. Here too *God pinpoints our generation*, with its unprecedented worldwide travel and vast global explosion of knowledge via the Internet.

Third, God's "Hebrew prophets predicted that, in the last days, world events would focus on the Middle East, Babylon, the Arab nations, Israel, and Russia - the very nations that make front-page headlines in today's newspapers." ¹

Fourth, Jesus said, "when you see all these things, know that it is near - at the doors." Matthew 24.33. Suddenly it's all happening. God's many evidences combine to rule out coincidence or lucky guesswork. This *combination* of events is itself a great sign!
