

# Easter miracle

Jesus is unique!

**First**, he says he is from heaven! See John 6.38. No other recognised religious leader not Moses, Paul, Buddha, Mohammed, Confucius - ever made this claim for himself.

**Second**, Jesus came in fulfilment of Bible prophecy. In marked contrast, Dave Hunt says “prophecy is completely absent from the Koran, the Hindu Vedas, the Baghavad Gita, the Ramayana, the sayings of Buddha or Confucius, the book of Mormon, or any other writings of the world's religions.”

**Third**, it follows therefore that no prophecies foretold the coming of Buddha, Mohammed, Zoroaster, Confucius, Joseph Smith, Mary Baker Eddy, the currently popular Hindu gurus, or any other religious leader. But more than 300 Old Testament prophecies identify Jesus, Israel's Messiah.

**Fourth**, Jesus makes these unique claims - “I am the way . . . No one comes to the Father except through me” (John 14.6); and he declares power to forgive sins (Matthew 9.1-7). No other religious leader ever dared make such claims.

And, **fifth**, Jesus' greatest miracle? Rising from the dead. Presenting himself alive! It's the Easter miracle. No one else has conquered death and promised to share his resurrection with those who put their trust in him.

Have you investigated these things?
